tab box in the Commission's electronic filing system must be checked at the time of resubmitting a previously filed NSA, and a description of the corrections made must be stated at the beginning of the corrected NSA in a comment box. Failure to check the CT box and enter a description of the correction will result in the rejection of a file with the same name, as documents with duplicate file names or NSA and amendment numbers are not accepted by the FMC's electronic filing system.

(2) [Reserved]

(d) *Cancellation.* (1) An account may be adjusted for events and damages covered by the NSA. This shall include adjustment necessitated by either liability for liquidated damages appearing in the NSA as filed with the Commission under § 531.6(b)(7), or the occurrence of an event described below in paragraph (d)(2) of this section.

(2) In the event of cancellation as defined in § 531.3(g):

(ii) The cargo previously carried under the NSA shall be re-rated according to the otherwise applicable tariff provisions.

(e) If the amendment, correction or cancellation affects an essential term required to be published under § 531.9, the statement of essential terms shall be changed as soon as possible after the filing of the amendment to accurately reflect the change to the NSA terms.

(f) *Commission listing.* The Commission will publish on its website, [www.fmc.gov](http://www.fmc.gov), a listing of the locations of all NSA essential terms publications.

(g) Updating statements of essential terms. To ensure that the information contained in a published statement of essential terms is current and accurate, the statement of essential terms publication shall include a prominent notice indicating the date of its most recent publication or revision.
